2020 WESTOVER STREET PLAN FOR REBUILD ALABAMA REVENUES
Rebuild Alabama 2019-2

Pursuant to requirements of the Rebuild Alabama Act 2019-2, the City of Westover hereby publishes and advertises the plan for use of anticipated revenues resulting from the act.

Funds from these taxes shall be deposited in a segregated account “The 2019-2 account” at Renasant Bank, Chelsea Alabama.

The following streets within the City of Westover are either unpaved or paved only with base material. Chirt roads may be scraped to improve smoothness relatively easy, while base paving requires additional material applications.

For these reasons, street repairs will be made by priority and funded as those incremental revenues become available to sufficiently complete the repairs.

Priority order for Fiscal 2020
April Lane   approximately 1,060’ using standard base and seal $ 32,000
Bryan Rd    approximately 1,100’ using standard base and seal $ 33,000
Christopher Cove Rd approximately 1,700’ using standard base and seal $ 51,000
Cedar Hill Farm Rd Scrapping with County Machinery $ 1,600
Rosewood Dr  Scrapping with County Machinery $ 800

Approved this 28th day of August, 2019.

Larry H. Riggins, Mayor

At a Special Called meeting of The Westover City Council, August 28, 2019, I Bonnie Meacham, Clerk attest that this plan was adopted by a majority of the Council.

Re: Annual Transportation Plan Report

Dear Mayor Riggins:

In accordance with Section 11(3) of the Rebuild Alabama Act and the Fiscal Year 2020 - Transportation Plan adopted by the City of Westover this will serve to advise you that no expenditures have been made from this fund during the previous fiscal year. Currently the proposed project on April Lane has not been bid at this time.

Please enter this into the minutes of the Council meeting and make available to the public for inspection and post on the city website as was the Transportation Plan.

Trusting this serves to confirm the Transportation Plan requirements for this fiscal year to date.
